Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 60

Focus Occupation: Family and General Practitioners (29-1062)
Associated Occupation: Nursing Aides, Orderlies, and Attendants (31-1012)

Work Activities	Exclusivity of Activity
Administer medications or treatments	46
Follow dental or medical office procedures	68
Observe patient condition	48
Take vital signs	56

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
